SOLUTIONS FOR SELLING ON EBAY SUCCESSFULLY

KNOW WHAT TO SELL:

We've been selling on eBay for over 15 years. We know the kinds of things that sell, and which ones can make you money. In fact, we've bought lots of items for pennies on the dollar that we'll sell you to help you get started on eBay. While you sell some of our items, we'll help you choose what works best for you.

PHOTO STUDIO:

Making great photos is one of the biggest differences between "sellers" and "listers." You can list items with poor photos, but when you have GREAT photos, your items will sell more often. We have set up areas with backgrounds, lighting, and staging so you can take photos like the best eBay sellers. Great photos sell items!

WE MAKE EBAY EASIER:

MyNetSalez.com software makes selling on eBay a LOT easier than just using eBay alone. We've designed it to be used by beginners and pros alike who want a better way to use eBay. Using our software, you can list, sell, and track your eBay sales in a way that's never been so easy. List items to eBay in 3 seconds. Get a Profit and Loss statement any time you want one. It's easy!

A PLACE TO GET WORK DONE:

No more moving your eBay stuff from table to chair to garage, back to the table, then to the closet... Join us and have a place to work. A place where you don't get distracted by TV, the kitchen, the kids, or whatever. Just a great place to work and be efficient. Free Wi-Fi included. Just bring your laptop or use one of our computer stations. You'll be more productive than ever before.

We are working hard to help solve all the obstacles that keep people from selling on eBay! Take a look at this list of solutions that await you at our facility. If you think about it, we're sure you'll agree that this atmosphere will be conducive to selling and promoting your business!

LIST ITEMS REGULARLY:

With a place to work, items to sell, and encouragement from us, there's no reason NOT to list more! When you list items on a regular basis, it builds your business, increases confidence in your shoppers, and builds sales! Our new **"Pathways to Success™"** program will help you take your eBay sales to new levels. We work with you to keep you active and selling.

AFFORDABLE STORAGE:

MyNetSalez is breaking new ground by offering storage for eBay sellers at extremely reasonable rates. With secure storage of your items beginning at only \$10.00 per month, any eBay seller can have a clean house and organized storage for their items as well as a place to work on them as they list and sell the items.

SELF-EMPLOYED COMMUNITY:

Sometimes it gets a little lonesome working all on your own, especially when your customers are all over the world, but not next door. We are building an eBay community in Huntsville. We have regular meetings for all eBay sellers, and our members are always welcome to stop by for a cup of coffee or to ask a question or get advice.
